I have received and reviewed information about my health plan choices. I authorize MIT to take from my pay the before-tax or after-tax contributions required by my elections. I certify that the information I have provided on this form is true and correct to the best of my knowledge. I also understand if I elect before-tax payment of my health premium, I cannot change this election during the plan year unless I have a change in my personal situation that would, under federal law, permit modification of my election. I understand that the information I have provided on this form will be supplied to my health plan. With this membership, I agree that certain medical records may be required by the health plan to determine the validity or amount payable for charges related to medical care. I authorize the health plan, or its designated agent, to obtain, view, and release a copy of all records pertaining to medical care and the related expenses for all persons covered by this contract. This applies to all physicians, hospitals, clinics, and all other agencies. I grant my health plan any legal right that I may have to recover the cost of services for an illness or injury caused by someone else when these services have been provided by my health plan. I understand that if I do not select a Primary Care Provider (PCP), I will be subject to out-of-network deductible and coinsurance.
