How long does it take to process a new claim?

It takes approximately three to four weeks to process a new claim. If you are determined to be eligible for UI benefits, you will receive payments for the weeks that you are eligible, except for the first week, which is a waiting period required by Massachusetts Law.

How to request your weekly benefit payment:

Beginning on the Sunday after you apply for benefits, you must request your benefit payment (sign or certify your eligibility for UI benefits) weekly. A payment will be made to you for the previous week, after you request the benefit payment and we have determined that you are eligible. To request benefit payment:

1. Go to www.mass.gov/dua, select UI Online for Claimants. Then log into your account using your SSN and password that you created. Select Request Benefit Payment and answer the questions.
2. Call the automated TeleCert service at 617-626-6338. Follow the voice prompts and answer the questions using the keypad on your phone. TeleCert is available in English and Spanish.

How to apply for benefits from out of state:

If you worked in Massachusetts and have moved to another state, you may still be eligible for benefits. This type of claim is known as an interstate claim. Interstate claims are subject to Massachusetts Law as if you were still living in the Commonwealth. You can apply for your interstate unemployment claim using UI Online or by calling the TeleClaim Center.

**What is Unemployment Insurance?**

Unemployment Insurance (UI) is a temporary income protection program for workers who have lost their jobs through no fault of their own, but are able to work, available for work, and looking for work. Funding for UI benefits comes from quarterly contributions paid by the state’s employers to the Department of Unemployment Assistance (DUA); no deductions are made from employees’ pay.

**When should you apply for UI benefits?**

If you have been separated from work, or your work schedule has been reduced, you should apply for UI benefits during your first week of total or partial unemployment. Your claim will begin on the Sunday of the calendar week in which your claim is filed. This date is known as your effective claim date. Waiting more than a full week to request benefits will delay the beginning of your claim and benefits may not be paid for the week(s) of unemployment that occurred prior to the week of filing.

**How to apply for UI benefits:**

We are committed to providing you with prompt and courteous service. Our goal is to ensure that you can apply for benefits quickly and efficiently. Simply follow these steps:

**Select the method that is most convenient for you:**

There are two ways you can apply for benefits.

**Apply using UI Online:**

UI Online is a safe, secure, easy-to-use, self-service system. If you choose to use UI Online, you will complete the information online and submit your application using a computer with Internet access. If you do not have access to a computer, visit your local library or One-Stop Career Center to use free, publicly-available computers.

To apply using UI Online (5:00 a.m. to 10:00 p.m. daily):

1. Go to [www.mass.gov/dua](http://www.mass.gov/dua) and select UI Online for Claimants.
2. Then select Apply for Benefits. When you apply for benefits using UI Online for the first time, you will be asked to enter your Social Security Number (SSN), create a password, and select a security question and answer. It is important for you to remember your password and security question and answer. You will use your SSN and password to access UI Online each week to request your benefit payment. If you forget your password, you can reset it by clicking Forgot Password, answering the security question, and selecting a new password.
3. Complete all information requested. You will receive a confirmation message after you submit your application. If your application is interrupted, you can go back and complete it before 10:00 p.m. on Saturday of the same week.

**Tip:** Be sure to provide your telephone number and email address – it will make it easier for us to contact you if there are questions about your application.

**Apply by phone using the TeleClaim Center:**

To apply for benefits by phone (8:30 a.m. to 4:30 p.m. Monday through Friday):

1. Call the TeleClaim Center toll-free at 877-626-6800: from area codes 351, 413, 508, 774, and 978; or 617-626-6800 from any other area code.
2. Select English or another language.
3. Press 1 – to apply for benefits. Enter your SSN and the year you were born. You will then be connected to an agent who will take the information necessary to file your claim.

**How to create or change your Personal Identification Number (PIN) for TeleCert:**

When you apply for benefits by telephone for the first time, you will be asked to create your PIN. If you have previously created your PIN and do not remember it, or need to change your PIN, call the PIN Service Line at 617-626-6943. The PIN Service Line is available seven days a week from 5 a.m. to 10 p.m. You will need a touch-tone phone to use the PIN Service Line. Note: Please be aware that smart phones with QWERTY keyboard sometimes do not work when answering the security question. Instead, use a cellular phone or land line.
