What’s in it for me?
Options. It’s simple really. We love our members—that’s why we are dedicated to helping you see clearly and we’ve built a network that gives you lots of choices and flexibility. You can choose from independent doctors and retail providers to find the one that best fits your needs and schedule. No matter which one you choose, our plan is designed to be easy to use and to save you money. Welcome to EyeMed.

A new angle on wellness
Vision care isn’t just for people who wear glasses or contacts. It’s for everyone. Sure, an eye exam can check for vision problems, but it can also detect other health concerns like high blood pressure, diabetes and high cholesterol – just to name a few. If you’ve got eyes, we’re for you.
