IMPORTANT INFORMATION
Whenever a new account is opened, federal law requires all financial institutions to help the government fight the funding of terrorism and prevent money laundering activities by obtaining, verifying and recording information that identifies each person who opens an account. For this reason, we request your name, physical address (a P.O. Box alone is insufficient), date of birth, Social Security number (or taxpayer identification number), telephone number and other information that will allow us to identify you. Without this information, we may not be able to open an account or process any transactions for you.

You should consider the investment objectives, risks, charges and expenses carefully before investing. Please call 877 518-9161 or log on to tiaa-cref.org for a prospectus that contains this and other information. Please read the prospectus carefully before investing. To have copies of paper prospectuses sent to you at no charge, please call TIAA-CREF at 877 518-9161. TIAA-CREF Individual & Institutional Services, LLC and Teachers Personal Investors Services, Inc. distribute securities products. TIAA (Teachers Insurance and Annuity Association of America) and CREF (College Retirement Equities Fund), 730 Third Avenue, New York, NY 10017 issues annuities.

Nonqualified deferred compensation plans of tax-exempt employers are subject to special tax rules. Make sure you have discussed these tax consequences with your employer and/or tax advisor.

Your employer's plan may offer mutual funds as an investment choice in addition to the TIAA and CREF annuities. All contributions must be remitted under the terms of your employer's plan.

The investment vehicles you may select under your employer's plan are used only to measure the investment performance of your nominal account under the plan. The accumulations in and benefit payments from the CREF accounts, the TIAA Variable Annuity Separate Account, and the mutual funds are variable and not guaranteed; the value of these investment products in your nominal account depends on the investment performance of the accounts. The investment vehicles used to measure the investment performance of your nominal account under the plan remain the property of your employer and are subject to its general creditors until paid or made available according to the terms of the plan. For more information contact your plan administrator.

Your ability to make transfers and withdrawals may be limited by the terms of your employer's plan. This includes in-service withdrawals before termination of employment which may not be permitted. Otherwise, you may transfer among any of the available annuity accounts and non-annuity mutual funds.

The amount and value of any accumulation units transferred from any account within a TIAA Variable Annuity Separate account may be affected by redemption charges imposed by the investments in which the account invests.

Your beneficiary designation will apply to your TIAA and CREF annuities and to the mutual fund accounts under this plan only.

Special Notice: Pursuant to Section 3 of the federal Defense of Marriage Act ("DOMA"), same-sex marriages currently are not recognized for purposes of federal law. Therefore, the favorable income-deferral options afforded by federal tax law to an opposite-sex spouse under Internal Revenue Code sections 72(s) and 401(a)(9) are currently NOT available to a same-sex spouse. Same-sex spouses who own or are considering the purchase of annuity products that provide benefits based upon status as a spouse should consult a tax advisor. To the extent that an annuity contract or certificate accords to spouses other rights or benefits that are not affected by DOMA, same-sex spouses remain entitled to such rights or benefits to the same extent as any annuity holder's spouse, unless prohibited by applicable state law.
