The following is a summary of the vision care services for MIT. This document is not the Summary Plan Description.

Plan Information

MIT (Hereinafter, “Employer”) has selected EyeMed Vision Care, LLC (“EyeMed”) as your vision care services provider (the “Plan”). The Plan, underwritten by Combined Insurance of America, provides coverage for routine vision exams, as well as eyeglasses and contact lenses.

This Summary reflects the Plan that will be in effect beginning January 1, 2016.

This Summary is based on the filed insurance documents. If there is a disagreement between the information contained in this Summary and the insurance documents, the insurance documents will govern.

This Summary does not address Plan eligibility. Eligibility decisions are solely and exclusively determined by Employer.

The EyeMed Network

EyeMed’s network of providers includes private practitioners, as well as the nation’s premier retailers, LensCrafters®, Sears Optical, Target Optical, JCPenney Optical and most Pearle Vision locations. To locate EyeMed Vision Care providers near you, visit www.eyemed.com and choose the Select Network. You may also call EyeMed's Customer Care Center at 1-866-723-0514. EyeMed's Customer Care Center can be reached Monday through Saturday 7:30 am to 11:00 pm EST and Sunday 11:00 am to 8:00 EST.

Using In-Network Providers

When making an appointment with the provider of your choice, identify yourself as an EyeMed member and provide your name and the name of your organization or Plan number, located on the front of your ID card. Confirm the provider is an in-network provider for the Network. While your ID card is not necessary to receive services, it is helpful to present your EyeMed Vision Care ID card to identify your membership in the Plan.

When you receive services at a participating EyeMed Network Provider, the provider will file your claim. You will have to pay the cost of any services or eyewear that exceeds any allowances, and any applicable co-payments. You will also owe state tax, if applicable, and the cost of non-covered expenses (for example, vision perception training).

Using Out-of-Network Providers

If you receive services from an out-of-network Provider, you will pay for the full cost at the point of service. You will be reimbursed up to the maximums as outlined in the Summary of Vision Care Services. To receive your out-of-network reimbursement, complete and sign an out-of-network claim form, attach your itemized receipts and send to First American Administrators, Inc., (“FAA”), a wholly-owned subsidiary of EyeMed Vision Care:
For your convenience, a FAA/Eyemed out-of-network claim form is available at www.eyemed.com or by calling Eyemed’s Customer Care Center at 1-866-723-0514.
